

BIOGRAPHY

Ivo Bernardo was born on August 12, 1986, in Lisbon.

He graduated in painting from the National Society of Fine Arts (SNBA), and attended the drawing and painting area in AR.CO.

He attended several workshops (portrait, engraving, Colour study, graphic diary among others). Participated in the catalog "presence" featuring photography / drawing and painting artworks in the municipality of aljustrel, also attended a artists residence in theater of são Carlos.

Since 2016 he has been participating in collective/individual exhibitions of drawing and painting.

His interest in painting contemplates the work of Colour, the gestural movement and the research process in each work, between paints and textures towards the unknown.

It is based on abstract expressionism and follows its intuition, as one of the foundations for the creation of his paintings.
